Wendy Rivera

Haney Technical Center Mission Statement

Our mission is to provide educational opportunities for all students and the training necessary to meet the needs and standards of today's changing global workplace.

Program Mission Statement

The purpose is designed to prepare students for employment as Licensed Practical Nurses, and to provide educational opportunities preparatory to entrance into the work world as beginning practitioners, performing the duties indicated and implied in their respective roles.

Course Outline

OCP A – Practical Nursing Foundations 1: PRN0098 (300 Hours)

- Demonstrate knowledge of the health care delivery system and health occupations.
- Recognize and practice safety, security and emergency procedures.
- Demonstrate knowledge of blood borne diseases, including HIV/AIDS.
- Perform patient and personal care as it pertains to the practical nurse.
- Provide patient-centered care for the geriatric population.
- Assist with restorative (rehabilitative) activities.
- Demonstrate organizational functions, following the patient plan of care.
- Demonstrate literacy as related to nursing functions.
- Use appropriate verbal and written communications in the performance of nursing functions.
- Demonstrate legal and ethical responsibilities specific to the nursing profession.
- Apply principles of infection control, utilizing nursing principles.
- Describe the structure and function of the human body in relation to health and disease.

- Implement education and resource for family wellness.
- Participate in Community Health Awareness Forums.

OCP B – Practical Nursing Foundations 2: PRN0290 (300 Hours)

- Demonstrate how to care for the surgical patient with a cardiovascular, respiratory, lymphatic, musculoskeletal, endocrine, or integumentary disease/disorder (which can be accomplished through a combination of simulation, laboratory, and clinical settings in accordance with F.S.464.019).
- Demonstrate how to care for pre-operative and post-operative patients, utilizing nursing principles (which can be accomplished through a combination of simulation, laboratory, and clinical settings in accordance with F.S.464.019).

OCP B – Practical Nursing Foundations 2: PRN0291 (300 Hours)

- Demonstrate how to care for the surgical patient with a gastrointestinal, neurological, urinary, reproductive, or oncologic disease/disorder (which can be accomplished through a combination of simulation, laboratory, and clinical settings in accordance with (F.S.464.019).

OCP B – Practical Nursing Foundations 2: PRN00690 (300 Hours)

- Demonstrate how to care for maternal/newborn patients, utilizing nursing principles (which can be accomplished through a combination of simulation, laboratory, and clinical settings in accordance with F.S.464.019).
- Demonstrate SIDS/SUIDS as it relates to the practical nursing role.
- Develop transitional skills.
- Demonstrate employability skills specific to practical nursing.

Classroom Attendance Policy

The maximum absences allowable for any Practical Nursing student will be 30 hours during the course of the program. When a student has missed 15 hours, an additional warning will be issued. If a student misses more than the allowed 30 hours, the student will be automatically withdrawn.

Classroom Policies

Students must dress for the occupation for which they are being prepared. Practical Nursing students will wear the uniform adopted by the program. Uniforms must be clean and well pressed. Students will adhere to the dress code in the clinical facility. In the classroom and clinical setting, students will wear their uniform. Female students must wear a bra. Students must wear shoes at all times. Any student in violation of the dress code will be sent to administration. Students must wear their Haney issued name badge while on campus and in the clinical setting. This is considered part of the uniform. Any student present without his/her name badge will be sent home. Smoking is not allowed on the school campus. No personal calls are to be made or accepted during class or during clinical hours. The student will adhere to the policy on student conduct as described in the Haney Technical Handbook.

Grading Policy

Haney Technical Center uses a systematic, objective, and equitable method of evaluation student achievement based on required competencies. Student evaluation is based upon the FDOE grading criteria, the employability skills rubric, and instructor's assessments of student performance. Required passing grade for this program is 77 in order to graduate.

Assignment Weighting		Grading Scale	
Clinicals	50%	A	90+
Written Assessments	50%	B	80-89
		C	70-79
		D	60-69
		F	0-59
Required Passing Grade For Each Subject is: 77
